

Notes on smoking: We have designated certain train areas which cigarette smokers may use freely: lounge cars, dining cars and sleeping cars. No smoking will be permitted in coaches except in coach-lounge, bar, grill and restroom areas and in the body of certain coaches specifically reserved for smoking and so identified. Smoking of pipes and cigars is permitted only in private accommodations. We want every Amtrak passenger to enjoy every moment on board. So, if you smoke, as many of us do, we ask your cooperation in conforming to No Smoking signs wherever posted.
