Quilt Name: **Pine View**

Dimensions: 27" by 40"

Artist Statement

I was inspired to make this quilt by a picture I took when on a trip to the Pacific Northwest. We were hiking north of Seattle, Washington, around Deception Pass and I took the photo from the bridge. I imagine this is how the view would be out the window of a train.

It is on my bucket list to travel by railway along the coast of California up to Washington state.
